I'd first like to say that no words of gratitude can possibly express how grateful I am to you for all the help that you have given to me. I can't possibly explain how wonderful it is to meet people like you who are like an island of peace and sanity, that represent for me what the world should be like. I wish that everyone could have the opportunity to meet people like you.

I want to extend a heart felt thank you for your commitment to making this achievement so successful. It was the vision I had and without your highly financial material, academic and moral support I could never have joined the University I really thank God who gave INSPIRE!africa as my supporters, I will never forget what you have been doing in my life. Especially thanks to my sponsor who accompanied me along the way since I started University and up to now his highly financial material, advices, suggestions, understanding, encouragement and personal guidance enabled me to complete my studies.

I am proud of what I have already achieved, not only a Bachelor degree, I also am in the intermediate level of CPA (Certified Public Accountant). Next setting I will do advanced level exams and willing to make it.

Thanks for everything!
