HOUSES FOR WIDOWS
February 2017***

***I hope this email finds you well. Once again thank you and the
INSPIRE!africa team for your continued support.***

***We wanted to inform you of how we intend to use the housing grant,
Yesterday we visited a number of survivors in Huye and Gisagara
Districts. We found one widow who desperately needs a house as you
will see in the photos. We will need to raise more funds to give her a
decent house but thank God we already have the support from you
which is very important.***

***The widow and her grand
daughter currently live in
a very poor shack.***

***HOUSES FOR WIDOWS
March 2017***

We are delighted to inform you about the progress with the construction of a house for the widow we told you about. Although we did not have all

the money I thought it was important to give her a house and we are now almost finished with the house.

Attached is a before photo and then the one below showing the progress. We will update you when the house is completed.
