My name is Hirwa Yves Jordan but most people call me Ivan and I am here to thank all the things that INSPIRE!africa, SURF, and RMLC did for me, I hope you will share this with the Board of INSPIRE!africa.

Dear INSPIRE!africa,

I feel highly honored and blessed to have you as my parents and to especially thank you for your caring over the years. Thanks for instilling in me a strong passion for learning, and for doing everything possible to put me on a path towards greatness. I will never forget the important values you have instilled in me, especially perseverance and honesty. Words cannot describe how important you are to me.

“Without the inspiration, drive, and support that you have given me, I might not be the person I am today.” I say this because, INSPIRE!africa has meant so much to me. It was the first who helped me to continue my university studies and now I am already graduated; and I want thank every single person who contributed on that “you guys mean more to me than you’ll ever know” I think I actually don’t have that much vocabulary to express my emotions that I have.” Thank you millions of times”
