A message to INSPIRE!africa from Monique Bumbeya.

First of all, I thank you very much for paying my tuition fees and allowance to help me study well. With your support I was able to get accommodations, meals and school materials, which is important.

It was not easy for me to complete my Bachelor Degree. The course was sometimes hard, but your help made it easier for me.

I graduated on the 9th of March, 2017 from the Department of Hotel and Restaurant Management at Rwanda Tourism University College.

Once again, thank you very much and may God bless you!
