2022 Fundraising

Thanks to you, we raised **\$52,000** in 2022! On behalf of our Rwandan friends, thank you so much for all of your support!

In case you missed it, our fundraiser presentation is available [online](#). If you weren't able to attend, Samuel Munderere, Chief Executive of Survivors Fund (SURF) provided an excellent presentation about the situation for survivors in Rwanda and took questions from us. Sam is very inspiring, and we know you will enjoy his presentation.

A Word from Our Partner: Survivors Fund (SURF)

In December of 2022, SURF turned 25. Their multi-pronged approach to helping survivors remains as relevant and needed today as it was twenty-five years ago. Please watch their 25th anniversary [video](#) that shows what they do, why they do it, and how your support is making a real difference in the lives of many survivors and their families.

The youth entrepreneurship project that you support through INSPIRE!africa is shown in the video, including a young man who has started his own business and not only wants to expand his business, but also to give back to others.

2023 Trip to Rwanda

During the last two weeks in May, INSPIRE!africa will be going to Rwanda. Would you like to join us to learn more about the projects that INSPIRE!africa supports and to meet survivors of the Genocide Against the Tutsi? Please contact Margaret McQuiston at mmcq@telus.net for more information.

SURF built houses for these genocide survivors whose land was recovered through support from the SURF helpline. The group that went to Rwanda in 2018 had the pleasure of meeting them.

2022 Tax Receipts

Thank you again to all of you who donated to INSPIRE!africa in 2022. Your tax receipts will be sent by email in early February and will come from **cowiejae@gmail.com**. Make sure to check your junk folder if you don't get it.
